

A photograph of a dining table with a glass top and wooden frame. The table is set with a white tablecloth, a silver bowl with gold handles, and a striped sign that says "WELCOME". In the background, there are ornate metal chairs and a person in a blue shirt. The scene is indoors, possibly in a restaurant or dining room.

WELCOME

Subject SCIENCE
MOVEMENT OF THE EARTH AND PHASES OF THE MOON

The phases, or changing appearance of the moon, depend on its position relative to the Sun and the earth. The moon moves round the earth and the earth moves round the Sun.

Rotation and Revolution

The revolution of the earth around the sun is a complete revolution or more precisely

Rotation

of the earth rotates once is the period earth takes 1
